AROMAS

A fresh green profile with complex and intense fruitiness that is reminiscent of tomato leaves, arugula, artichokes, herbs, and freshly cut grass.

TASTE

Notable freshness, notes of green grass, tomato, and artichoke. Due to its high antioxidant content, it has medium-high intensity bitterness and spice. This variety produces fresh, balanced, and complex oils.

We recommend sprinkling it on red meat, spiced dishes, tomato sauces, and hard and spicy cheeses.

AVAILABLE IN 250 ML (8.45 OZ) AND 500 ML (16.9 OZ) BOTTLES
